How I became the Class Monitor.

- Prisha Sanmeet Singh, II-A

Last year when I reached Jaisalmer, I was very happy that I was going to a new school and in Class I. But something was bothering me. I was a new student and I had joined my school late, and other students had joined before me.

When my exams were about to commence, I thought it was too late to study all subjects. I thought that I would not get full marks. I also wanted to be the class monitor but a class monitor gets full marks in each exam. But what can I do!

My mother said, "Don't worry Prisha. You do all your subjects then you will get full marks and then you will be the class monitor."

Then when my exams were over, I got full marks and I became the class monitor in Class I. I was so happy. My mother was right all along. Thank you, mom.

Importance of Parents

-Shauryajeet Singh, 1 B

Father and mother play an important role in our mental, physical, social, financial and career development.

Parents are the most precious gift of God for us. They help us in every step of our life. They train us to face challenges in our lives. Parents play many roles in the overall development of their children.

मेरा बचपन

-Himani Gautam, X
 वो बचपन कितना प्यारा था,
 बस खाना था और सोना था।
 चुपके से दादी को जाकर,
 कहानी के लिए मानना था।

वो कहानी राजा-रानी की,
 सुनाती दादी-नानी थी
 हम जैसे-जैसे हुए बड़े,
 गुम होती गयी कहानी थी।

बारिश का मौसम आते ही,
 हम नाव बनाते कागज की,
 उन कागज की नावों में,
 हमने घूमी दुनिया सारी थी।

मस्ती करना चोटे खाना,
 रोते हुए तब घर में आते
 माँ ने जब प्यार से सहलाया,
 घाओं पर मरहम लग जाते।

जब त्योहारों की बरी आती,
 महीनोसे तैयारी होती,
 पापा की थोड़ी चिल्लर से,
 खुशिया बेशुमार होती।

बड़ा नहीं मुझे होना है,
 मुझे बचपन में ही रहना है।
 पापा-मम्मी का प्यार,
 मेरा सबसे बड़ा खजाना है।

Unbelievable things, happening in Lockdown.

-Suryansh Thakur, VI-A

What does a lockdown mean?
 Not staying bored at home and
 Moving at home like bees.

Don't think when this pain will decrease,
 Instead, think why the lockdown should
 increase.

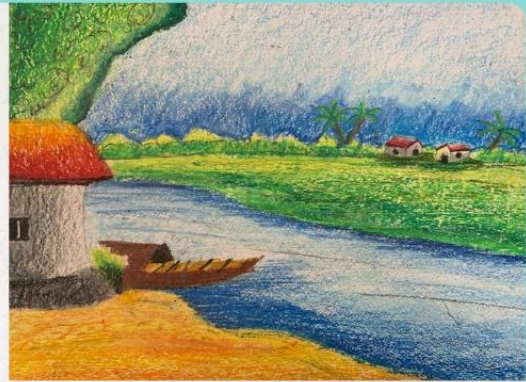

The wildlife is safe and the trees are free.
 Rivers are pure in a matter of months.
 The family members are closer to each other,
 While before lockdown, they were all busy
 bee.

Lockdown has been a gift.
 It has been unbelievable.
 Staying safe with family,
 In these times is like a miracle.
